Dear <firstname>,

Enjoy the ultimate Grand Slam experience with your YPO and WPO peers at the 2013 French Open! Join the [Tennis Network](#) for an exclusive program featuring unparalleled access and interaction.

Last year's event earned an incredible rating of 9.84 from participants, and we are determined to offer even more value this year. We plan to extend the days at the Roland Garros/French Open tournament so everyone can take in even more time at the world-class matches. Highlights for the 2013 experience include:

-  behind-the-scenes tour of tennis channel broadcast facilities and Chartrier Stadium
-  all-access Roland Garros grounds tour with French Tennis Federation officials
-  incredible tournament perspectives from a stadium rooftop viewing deck

- 
- visits with top tennis industry insiders, T.V. announcers, coaches and tennis legends
  - social events, including a private luxury dinner cruise, dining in private at the exclusive Baccarat Cristal Room Restaurant, joining local members at the Conciergerie, refreshments at the ARC Restaurant and Club, and a viewing party brunch at local member's home

This is a truly spectacular way to enjoy tennis at its best and memorable times with YPO-WPO fellow tennis fans. [Register](#) now to let us know you will be coming.

We hope to see you in Paris,
